HOLLYWOOD DANCE 2011 TOUR

Competition Countdown (as of February 1st)

WEATHER CLOSURE

Morning classes will be cancelled on delayed starts and cancelled school for District 11 and/or 20. We don't always cancel evening classes if school districts have canceled. Often times, the weather improves in the afternoons so we are able to have classes. If weather conditions are bad and we decide to cancel classes, there will be a recorded message on the studio answering machine.

You may call the studio to check the message. We will also try to post the cancellation on our website. If classes are NOT cancelled, the regular message will be heard on the studio's answering machine. We recommend you call one last time before you drive over in case conditions change.

Please use your own judgment regarding driving in bad weather. If you are not comfortable driving, please stay home. You can take a makeup class later if you miss a class.
