Thank You!!

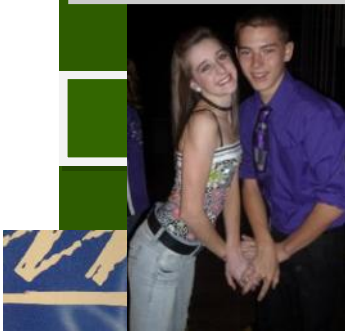

My favorite style of dance is all kinds! As I grow in dance, I find appreciation for every type. This year was my first year on Pointe and I love it! I don't know if the choreographers could have done anymore to make my senior year more memorable with all these fantastic dances! I cannot pick one favorite!

I started dancing at Robin's when I was 7 and started on the Pre-Company team when I was 10. Being on team has been a wonderful experience I would not trade for anything!

I will be graduating from Palmer High School in late May but in early May I will be going to New York to audition for the Radio City Rockettes! You will ALL be the first to know how it goes! I am excited and thrilled to have the opportunity and feel very well prepared to take on the challenge. No matter what happens its all going to be a great experience. If that doesn't work out :) I will be driving up I25 to Greeley CO to attend University of Northern Colorado in the fall.
