A Note From Lyndzi

Hello Family!!

I hope everyone is loving the smell of fall as much as I am! This month, a recital fee was charged to your account. This charge helps to offset the production costs of the recital which include the facility rental, staff, etc. The recital fee DOES NOT include your costume which will be charged in November. The costume fee must be paid prior to ordering so please pay promptly. If you wait too long, your dancer may not have their costume in time for class pictures. Please also note that the costume fee and recital fee are not paid via your automatic monthly tuition so please stop by the office and take care of your balance.

The studio will be closed November 24th—27th for Thanksgiving break! We hope everyone enjoys the holiday and we can't wait to see your kids keep dancing away!!

Love Lyndzi

WEATHER CLOSURES

Morning classes will be cancelled on delayed starts and cancelled school for District 11 and/or 20. We don't always cancel evening classes if school districts have canceled. Often times, the weather improves in the afternoons so we are able to have classes. If weather conditions are bad and we decide to cancel classes, there will be a recorded message on the studio answering machine. You may call the studio to check the message. We will also try to post the cancellation on our website. If classes are NOT cancelled, the regular message will be heard on the studio's answering machine. We recommend you call one last time before you drive over in case conditions change.

Please use your own judgment regarding driving in bad weather. If you are not comfortable driving, please stay home. You can take a makeup class later if you miss a class.
