Senior Spotlight—Tiffany Anderson

Hi! My name is Tiffany Anderson, and I have been dancing at Robin's Danceworks for 13 years. Before attending Robin's, I started tots classes with Robin at The Dance Center at age 3. When I was 7, I was invited to join the competitive dance team, Sparklers, and have been growing and working to improve ever since.

My favorite type of dance is ballet because it is the basis of all other styles, and truly helps me grow in all aspects of dance. I have had the pleasure of teaching ballet this year, and have experienced the art form on a whole new level.

This year I am graduating from Doherty High School. I have been accepted to the University of Northern Colorado, and plan to study secondary English education. Many years ago, when I discovered that Miss Robin was a school teacher, I knew right then that teaching was the path I wanted to take in life. Thank you, Miss Robin, for giving me the inspiration to become a teacher.

Through the up and downs of growing up, and the hardships of high school, dance has been the light in my life that encourages me to keep going. All my years of dance have inspired me in a new and different way each year. Each teacher continues to encourage me to reach my full potential, and the friendships I have built here are something that will never be replaced.
